

Council Candidate Biography: Todd Hendreks

What is your occupation?

IT Datawarehouse Consultant

Which subdivision do you live in and how long have you lived there?

Hidden River III (2012 to Present), Clarke Farms (2004-2012)

What other governmental service have you been involved in?

Town of Parker Planning Commission (2014-2015)

What is your educational background?

Texas A&M University - Bachelor Degree in Business Analysis, CU Denver - MBA

What community activities are you/have you been involved in?

Parker Hawks Youth Lacrosse Head Coach, Cherry Creek Valley Rotary Club of Parker, Downtown Business Alliance Community Board Member, Hidden River III HOA Social Chair

What are your hobbies?

Generally being outdoors (skiing, hiking, rafting), concerts, festivals, playing sports such as lacrosse or softball, watching professional sports, Town events, spending time with family and friends.

What made you decide to run for Town Council?

As a 14 year resident, I have a track record of community involvement and civic duty. Running for Town Council is a natural progression for me as I truly love Parker. I am the type of guy who stays involved with the Town year round. I wish to serve the community and do what I can to maintain the high level quality of living that we have. My Rotary club has a motto, "Service above Self" and that is exactly how I feel.

What will your top priorities be if elected to Town Council?

When my wife and I moved to Parker in 2004, we fell in love with the community and 14 years later that love has grown. The good far outweighs the bad yet there are always challenges. My hope is to get Parker better situated for the future. I would like a thriving Town where citizens work, play, shop and eat becoming fully engaged in their community. My priorities would be creating a more diverse economy, a renewed focus on Open Space, Parks & Rec projects and shaping the Town responsibly as we grow.
