

Veterans Memorial Banner Program Policy

The Town of Parker's Memorial Banner Program was created to recognize and honor deceased Town of Parker residents who have served our country in the military. Each banner will honor one (1) veteran and will include their name, branch and years of service and photo. Banners will be produced using an approved template and will be displayed on a street light in or near Living Wheel Park from approximately May 1 through July 4 to commemorate the dedication of local veterans to our country.

Program Eligibility

To qualify for this program, the individual being honored must have served in one of the recognized branches of the United States Armed Forces and have died in the line of duty or been honorably discharged from service before their passing. Veterans from incorporated Parker will be given first priority, followed by those who lived in the 80134 or 80138 zip codes. If banner spaces are still available, veterans from outside of the greater Parker area may be considered.

Cost

The cost per banner is \$150, which includes the design, production, installation, and removal of the banner. Banners must be requested and paid for by the immediate family* of the service member to be honored. **Immediate family includes parents, spouse, children and siblings.*

Banner Display

Banners will be displayed approximately from May 1 through July 4. The Town of Parker and FASTSIGNS of Parker are not responsible for replacing banners that are stolen, damaged or destroyed due to age, vandalism or any acts of nature, including high winds. At the end of the display period, banners may be picked up by the family at FASTSIGNS.
