Student at Colorado School of Mines

### **Which subdivision do you live in and how long have you lived there?**

I have lived in Clarke Farms for 17 years.

### **What other governmental service have you been involved in?**

I have worked in many campaigns and political action committees. I was also a legislative intern for Representative Tom Sullivan during my junior year in high school.

### **What is your educational background?**

I graduated from the Colorado Early Colleges Parker, receiving both my high school diploma and Associate degree together. I am now currently a college freshman working on my bachelor's of science degree in Mechanical Engineering.

### **What community activities are you/have you been involved in?**

Over the last three years, I have been the Parker lead for March for Our Lives/Students Demand Action group, and the Denver lead for the US Youth Climate Strikes. I have also conducted extensive scientific research in mental health in collecting electroencephalography (EEG) waves to identify cognitive abilities, levels of motivation, and consciousness in teenagers.

### **What are your hobbies?**

I love to play basketball, participate in cultural dances, play violin, and hike the Colorado mountains.

### **What made you decide to run for Town Council?**

I truly believe that it is time for a youth voice in local government.

### **What will your top priorities be if elected to Town Council?**

My top priorities will be to address the mental health crisis, poor civic participation, and land conservation.
